

GENERAL INFORMATIONS

- Birth date: 16-07-1978
- Country: Tunisia
- Actual position: MD, PhD, Associate Professor & Head of department/Department of Internal Medicine.
- Adress: Military Hospital of Gabes. Beb Bhar, Gabes 6000. Tunisia
- E-mail : salembouomrani@yahoo.fr
- Tel: (+216) 98977555

LANGUAGES

- Arabic: native language
- French: read, written and spoken
- English: read, written and spoken

I. SCIENTIFIC QUALIFICATIONS

- Associate Professor of Internal Medicine (2015) (Sfax Faculty of Medicine, Tunisia)
- Assistant Professor of Internal Medicine (2011) (Sfax Faculty of Medicine, Tunisia)
- Specialist in Internal Medicine (National Diploma, Tunisia 2006)
- General Medicien: Dilomated from Monastir Faculty of Medicine, Tunsia (2005)
- Thesis: Neurological involvement in Behçet's disease
- Inter-University Degree of "Systemic and Autoimmune Diseases" from Saint-Antoine Faculty of Medicien, Pierre & Marie Curie University/Paris VI, France (2006)
- Certificate of the Franco-Tunisian Course of Disaster Medicine, chemical risk and FTX tools (2009): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- Certificate of Naval Medicine and Diving Medicine (2010): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- Certificate of Aeronautical Medicine (2010): Ministry of National Defense of Tunisia, Directorate General of Military Health
- Certificate of the Franco-Tunisian Course of Travel Medicine (2010): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- Certificate of the Italo-Tunisian course of aerial medical evacuation (2010): Ministry of National Defense of Tunisia, DirectorateGeneral of Military Health

- Application Diploma of Military Medicine (2010): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- American Certificate of Chemical, Biological, Radiological, Nuclear and Ballistic Medicine (2010): Medlite, Tunisia 2010
- Certificate of the Tunisian-German Course of Tropical Medicine and Sub-Saharan Pathology (2010): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- The Steno Advanced Update Course « State-of-The-Art Prevention and Treatment of diabetes » (2012): STAR Diabetes Education Project/Steno Diabetes Center/Steno Education Center, Tunisia
- Certificate of the 1st course of the military health in methodology and medical writing (2013): Ministry of National Defense of Tunisia, Directorate-General of Military Health
- Basic Life Support Diploma (2013): ERC/European Resuscitation Council & TRC/Tunisian Resuscitation Council, Tunisia
- Postgraduate Certificate in Tropical diseases & Travel Medicine (2017): Sfax Faculty of Medicine (Tunisia) & Bernhard Nocht Institute of Tropical Diseases (Hambourg, Germany).
- Postgraduate Certificate in Geriatrics & Gerontology (2017): from the Middle East Academy for Medicine of Aging (MEAMA)

II. MILITARY RANKS

- Military officer (2009)
- Captain: 2010
- Major: 2015

III. EDITION OF SCIENTIFIC BOOKS

. **Book 1** : « Sub-clinical hypothyroidism »

Edition: Edilivre, France (2015)

-ISBN paper: 978-2-332-93044-6

-ISBN pdf: 978-2-332-93045-3

-ISBN epub: 978-2-332-93043-9

Link: <http://www.edilivre.com/l-hypothyroidie-fruste-manuel-du-praticien-20b10aabb0.html#.VI4CYtlvFIV>

. **Book 2** : « **Familial Mediterranean Fever** »

Edition: Edilivre, France (2015)

-ISBN paper: 978-2-332-97515-7

-ISBN pdf: 978-2-332-97516-4

-ISBN epub: 978-2-332-97514-0

IV. SCIENTIFIC PUBLICATIONS

Principal author of more than 50 scientific papers (Case Report, Review, Overview, Original article, Letter to editor, Image in medicine,...) in national and international scientific journals:

- J Afr Hepato Gastroenterol
- Research fr
- R.T.S.M. Tunisian Revue of Military Health
- Rev Tun Infectiol
- Pan Afr Med J
- International Review of Armed Forces Health Services
- Med Mal Infect

- J Fr Ophtalmol
- Presse Med
- Med Mal Infect
- Rev Neurol
- Joint Bone Spine
- Rev Rhum
- Anadolu Kardiyol Derg
- J Med Res
- Clin Res Infect Dis
- J Gastroenterol Dig Dis
- EC Ophtalmology
- EC Gastroenterol Dig dis
- J Mult Scler
- EC Neurology
- World Family Medicine/Middle East Journal of Family Medicine
- Oncologie
- Reports in Thyroid Research
- MOJ Clinical & Medical Case Reports
- Open Access Journal of Internal Medicine
- PAMJ Conference Proceedings

V. REVIEWER IN MANY NATIONAL AND INTERNATIONAL SCIENTIFIC/MEDICAL JOURNALS

- Veterinary Pathology
- Issues in Biological Sciences and Pharmaceutical Research
- International Scholars Journals (ISJ)
- Journal of Genetic Disorders & Genetic Reports. (JGDGR)
- Jacobs Journal of Clinical Case reports
- Journal of Dermatology and Plastic Surgery
- Orbit
- Journal of Medical Oncology and Therapeutics
- Nessa journal of Infectious disease and Immunology
- Biomedical Research

- Asian Journal of Biomedical and Pharmaceutical Sciences
- Journal of Pain and Management and Therapy
- Otolaryngology Online Journal
- Journal of Gastroenterology and Digestive Diseases
- Ophtalmology Case Reports
- Expert Review of Ophtalmology
- EC Neurology
- EC Nutrition Open Access
- EC Orthopaedics Open Access
- OMICS: Journal of Thyroid Disorders & Therapy
- SAJCR: SAJ case Reports
- JORT: Journal of Orthopedic Research & Therapeutic
- OMICS Publisher Group: Biomedical Journals
- BMJ Case Reports
- Journal of Molecular Oncology Research
- Epidemiology: Open Acces
- EC Endocrinology and Metabolic Research
- OMICS Group: Journal of Clinical Case Reports.

VI. Member of Editorial Panel of several national and international medical journals

- EC Ophtalmology Open Access
- RTSM: Tunisian Journal of Military Health Service
- EC Neurology Open Access
- EC Cardiology Open Access
- RRI : Research and Review Insights
- Endocrinology & Metabolic Syndrome (OMICS Publishing Group)
- EC Gastroenterology and Digestive System Open Access
- Journal of Thyroid Disorders & Therapy (OMICS Publishing Group)
- EC Pulmonology and Respiratory Medicine Open Access
- Journal of General Surgery (Scient Open Access Publisher)
- American Research Journal of Orthopedics and Traumatology
- EC Nutrition Open Access

- EC Dental Science Open Access
- GSR: Global Scientific Research Journals
- Reports in Thyroid Research (OMICS Publishing Group)
- EC Orthopaedics Open Access
- Journal of Neuroimmunology and Neuroinflammation (OMICS Publishing Group)

- Emergency Medicine: Open Access (OMICS International Publishing Group)

VII. RESEARCH INTERESTS

- Internal Medicine (connective tissue diseases, autoimmune diseases, systemic vasculitis, systemic granulomatosis)
- Tropical Medicine and Sub-Saharan Pathology
- Endocrinology (Diabetes and Thyroiditis)
- Infectious diseases
- Cancer
- Immunology and immunotherapy
- Neurology (neurological involvement in connective tissue diseases and systemic vasculitis)
- Cardiology (hypertension, cardiovascular risk, cardiac involvement in connective tissue diseases)
- Geriatrics/Gerontology and Aging Medicine

Publications

Article 1 : Bilateral Panuveitis Revealing Acute Septicemic Brucellosis.

Bouomrani S, Belgacem N, Ben Hamad M, Regaïeg N, Baïli H, Lassoued N, Trabelsi S, Béji M.

EC Ophthalmology 2018;9(6):437-441.

Link : <https://www.ecronicon.com/ecop/pdf/ECOP-09-00327.pdf>

Article 2 : Acute Interstitial Nephritis in the Course of Primary Antiphospholipid Syndrome.

Bouomrani S, Belgacem N, Ben Hamad M, Regaïeg N, Trabelsi S, Baïli H, Lassoued N.

American Research Journal of Clinical Case Reports 2018;1(1):28-31.

Link : <https://www.arjonline.org/papers/arjccr/v1-i1/5.pdf>

Article 3 : Bilateral renal inflammatory pseudotumor revealing primitive Sjögren's syndrome.

Ben Hamad M, Regaïeg N, Fekih W, Rekik F, **Bouomrani S**.

Research fr 2018;5:2588.

Link : <http://www.research-journal.net/fr/Bilateral-renal-inflammatory-pseudotumor-revealing-primitive-Sj-gren-s-syndrome.html>

Article 4 : Kikuchi-Fujimoto Disease Associated to Connectivitis -About Two Cases-.

Regaïeg N, Ben Hamad M, Belgacem N, Baïli H, Lassoued N, **Bouomrani S**

Open Access Journal of Internal Medicine. 2018; 1(1): 21-24.

Link : <https://docs.google.com/viewer?url=http://www.sryahwapublications.com/open-access-journal-of-internal-medicine/pdf/v1-i1/5.pdf&embedded=true?iframe=true&width=700&height=450>

Article 5 : Solitary and bilateral choroidal metastasis revealing breast cancer.

Ben Hamad M, Regaïeg N, Belgacem N, Baïli H, Lassoued N, **Bouomrani S**

MOJ Clin Med Case Rep. 2018;8(3):115–116.

Link : <http://medcraveonline.com/MOJCR/MOJCR-08-00253.pdf>

Article 6 : Thyroid Involvement in Takayasu's Disease.

Bouomrani S, Trabelsi S, Halwani Ch, Ben Hamad M, Regaïeg N, Belgacem N, Lassoued N, Baïli H, Béji M

Rep Thyroid Res. 2018; 2(1):105-9.

Link : <https://www.omicsonline.org/open-access/thyroid-involvement-in-takayasu-disease.pdf>

Article 7 : Depression and burden level in the natural caregiver of the demented patient : A Tunisian experience.

Ghanmi L, Hammami S, Bouomrani S, Jabri A, Abbes M, Zitoun Kh, Zouari L, Maalej M.

World Family Medicine. 2018; 16(3):39-46.

Link : http://www.mejfm.com/March%202018/EDITORIAL_AA.htm

Article 8 : Bilateral Retrobulbar Optic Neuritis Revealing Type 1 Diabetes Mellitus.

Bouomrani S., Ben Hamad M, Regaïeg N, Belgacem N, Baïli H, Beji M.

EC Neurology 10.6 (2018):446-449..

Link : <https://www.econicon.com/ecne/pdf/ECNE-10-00340.pdf>

Article 9 : Severe toxidermia complicating systemic corticosteroid therapy during a primary Sjögren's syndrome.

Regaïeg N, Ben Hamad M, Rekik F, Baïli H, Nouma H, Bouomrani S.

Research fr 2018;5:2585.

Link : <http://www.research-journal.net/fr/Severe-toxidermia-complicating-systemic-corticosteroid-therapy-during-a-primary-Sj-gren-s-syndrome.html>

Article 10 : Delusional parasitosis with digestive localization: a case report

Ghanmi L, Daoud M, Ghorbel H, Maalej M, El EuchS, Omri S, Maalej M, Bouomrani S.

Research fr 2017;4:2407.

Link : <http://www.research-journal.net/fr/Delusional-parasitosis-with-digestive-localization-a-case-report.html>

Article 11 : Malignant Peritoneal Mesothelioma in Familial Mediterranean Fever

Bouomrani S, Ghribi I, Regaïeg N, Belgacem N, Trabelsi S, Lassoued N, Baïli H, Béji M
Oncologie (2017) 19:391–397.

Link : <https://onco.revuesonline.com/en/articles/lvonco/abs/2017/06/lvonco1911p391/lvonco1911p391.html>

Article 12 : The paraneoplastic syndromes associated with nasopharyngeal cancer.

Halwani Ch, Zoghlami I, Boussetta N, Zgolli C, Akkari Kh, BenMhamed R, **Bouomrani S**.

Research fr 2017;4:2406.

Link : <http://www.research-journal.net/fr/The-paraneoplastic-syndromes-associated-with-nasopharyngeal-cancer.html>

Article 13 : Bilateral Synchronous Retrobulbar Optic Neuritis Inaugural of Behçet's Disease.

Bouomrani S., Belgacem N, Rekik F, Baïli H, Trabelsi S, Lassoued N, Beji M.
EC Ophthalmology 5.4 (2017): 141-144.

Link : <https://www.econicon.com/ecop/pdf/ECOP-05-00136.pdf>

Article 14 : Calcinosis cutis universalis in adult dermatomyositis.

Bouomrani S., Belgacem N, Nouma H, Trabelsi S, Lassoued N, Baïli H., Beji M.
The Journal of Medical Research 2017; 3(2): 1-4

Link : <http://www.medicinearticle.com/Volume3issue2.html>

Article 15 : Bilateral and simultaneous retrobulbar optic neuritis revealing multiple sclerosis

Bouomrani S., Belgacem N, Rekik F, Lassoued N, Trabelsi S, Baïli H., Beji M.
J Mult Scler 2017;4 :200.

Link : <https://www.omicsgroup.org/journals/bilateral-and-simultaneous-retrobulbar-optic-neuritis-revealing-multiplesclerosis-2376-0389-1000200.pdf>

Article 16 : Relapsed and resistant bulbar ulcer inaugural of Polycythemia Vera.

Bouomrani S., Belgacem N, Rekik F, Lassoued N, Trabelsi S, Baïli H., Beji M.
EC Gastroenterology and Digestive System ECGDS 2017;2(6):474-477.

Link : <https://www.ecronicon.com/ecgds/pdf/ECGDS-02-00070.pdf>

Article 17 : Recurrent and resistant duodenal ulcer revealing thromboangiitis obliterans.

Bouomrani S., Belgacem N, Lassoued N, Baïli H., Beji M.

The Journal of Medical Research 2016; 2(5): 139-140

Link : <http://www.medicinearticle.com/Volume2issue5.html>

Article 18 : Pernicious anemia and Behçet's disease.

Bouomrani S., Baïli H., Beji M.

Research fr 2016;3:1483

Link : <https://www.research-journal.net/fr/Pernicious-anaemia-and-Beh-et-s-disease.html>

Article 19 : Fatal bilateral pulmonary aneurysm in Behçet disease.

Bouomrani S., Baïli H., Beji M.

Research fr; 2016;3:1545

Link : <https://www.research-journal.net/fr/Fatal-bilateral-pulmonary-aneurysm-in-Beh-et-s-disease.html>

Article 20 : Aseptic Noninfective Meningitis: Etiologic Survey.

Bouomrani S., Trabelsi S, Nouma H, Baïli H, Belgacem N, Lassoued N, Beji M.

Clin Res Infect Dis 2016;3(5): 1042.

Link : <https://www.jsimedcentral.com/InfectiousDiseases/infectiousdiseases-3-1042.pdf>

Article 21 : Pseudotumoral Crohn's disease in an elderly patient.

Bouomrani S., Belgacem N, Trabelsi S, Lassoued N, Baïli H, Beji M.

J Gastroenterol Dig Dis 2016;1(2):25-7.
